**Q15 PROPOSED CHANGE #1:** Reason for change: Times have changed (we have welcomed a new student chapter, chapter communications and member outreach have a more digital focus, etc.), and the titles of the chapter's Board of Directors require changes in order to keep up with the changing times, reflect modern terminology, and to more accurately reflect the way we serve and do business with our members and customers. Accordingly, the job titles and duties of the members of the chapter Board of Directors must be changed to reflect the changing times. For that reason, it is necessary for Article XII, clause C, of the Chapter By-Laws to be updated accordingly.

**ARTICLE XII – NOMINATION AND ELECTION OF BOARD OF DIRECTORS, clause C, of the Chapter By-Laws shall be amended to read:**"The elected Board of Directors and officers shall be: President Executive Vice President Vice President – Recording Secretary Vice President – Finance Vice President – Professional Development Vice President – Marketing Vice President – Membership Vice President – Logistics Vice President – Information Technology Vice President – Public Relations Vice President – Communications 1st Vice President – Student Relations 2nd Vice President – Student Relations The remainder of the BOD shall be made up of the immediate chapter Past President, Directors at Large, and the addition of non-voting committee members as appointed under Article XII, Section A."

**Q16 PROPOSED CHANGE #2:** As noted in the previous question, times have changed, and the titles of the chapter’s Board of Directors require changes in order to keep up with the changing times, reflect modern terminology, and to more accurately reflect the way we serve and do business with our members and customers. For that reason, it is necessary for all references within these Fox Valley Chapter By-Laws to the former board titles to be updated to mirror the updated board titles, and for duties to be updated accordingly. In all instances within Article XIV (DUTIES OF BOD MEMBERS AND OFFICERS), whenever the former board title is used, the updated title shall be used and duties shall be updated to current standards.
